More Than a Diploma.

We asked more than 20,000 alumni about life after graduation.

Here's where their journeys have taken them.

97%

went to **college**, pursued **career** or **technical training**, enrolled in the **military**, or joined the **workforce.**

For alumni **5 or more years** post-graduation,

92%

reported being actively employed.

64%

went on to **pursue further education** after receiving their diploma.

***After graduation,** our alumni reported **one or more** of the following:

36%	36%	88%	10%
Higher Education Enrolled or completed.	**Career & Technical Ed** Training or certification.	**Entered the Workforce** Earning a paycheck.	**Military Enlistment** Enlisted for service.

31%

Work And Learn

Balancing both a job and college enrollment at the same time.

35%

Hold Skilled Jobs

Nurses, engineers, electricians, business owners, and more.

*Alumni could select more than one outcome, so totals exceed 100%.
